Codes Committee recommendation that was sent to them for review. Once DIC understands the parameters then we will modify the recommendation

Special Guests

Henry Criss – Works for HP for the last 2 months. Has lived in Bluffton for about 22 years. Has worked for Palmetto Breeze and now he works for the ferry operations and special projects. Haig point operating ferry service since 1986. Mr. Criss wants to be on top of any issues, and welcomes any information that residents might have.

Questions /Comments –

Ferry – Parking remains a concern for residents at Buckingham Landing. This is especially true during the summer months when visitors are here.

In the past, residents would not be turned away from the ferry without a reservation. However, this policy appears to have changed. This is a concern for full time residents during the busy season when we have visitors and boats are loaded.

The Water taxi is available for all island residents at a reduced rate.

Public Discussion – 3 minutes per person.
