Daufuskie Island Community Foundation – started out as a leadership council. To benefit the community.

The county requested one voice to speak for the island. They are fundraising arm of the DIC. Mailroom.

If the Council would like to get funds from the DICF, we need to have a long range plan and a short term plan. It is suggested that we use the DI Code as the action plan.

Can we upgrade the gazebo with a community based foundation just to remove the front of it?

Call Eric Greenway to come and update us on all BC projects

History of the ferry system. Melrose had a ferry every 2 years.
